Peace at lunchtime **every Wednesday** in the parish room, 12.30pm – 2pm, a short reflective service followed by a home cooked lunch. Everyone is welcome.

If you would like prayer for yourself, or for someone else, please let Rev Nat know or fill in a "Can we pray for you?" leaflet & drop it into the prayer box in the St Giles Chapel (left hand side, next to the library).

So why are we doing this?

It's been really good to see more new families getting involved in café church and the Baptism services over the past few months. We are settling into a pattern of two more traditional services aimed at people who do not normally come to church.

This means that twice a month we have a chance to welcome people into our community and to show them what it means to belong to a Christian community. We do baptisms in the morning service because baptism is about welcoming children into the church family. Parents and godparents make promises to bring their child up in the faith and we as the church family promise to help and support them to do this

I hope that as we make that promise and continue to pray for these children and families, as we get to know them when we bump into them around the village and as we invite them to other events, we'll slowly see our community of faith begin to grow.

God bless you,

Rev Nat
